General Information

1. Appropriate dress is required.
2. Children are not permitted in the facility during the evaluation or classes.
3. Absolutely no weapons of any kind are allowed on DUIC premises.
4. Failure to provide accurate information may result in additional program requirements and additional fees.
5. You must be alcohol and drug free for all appointments, including registration and be willing to submit to periodic breath tests performed by DUIC staff. You may also be referred for a urinalysis at your expense, if recommended at the evaluation appointment.
6. Per Administrative Rule, a DUI program may refuse to enroll any person who is unwilling to comply with the rules and regulations of the program or who is unwilling to make full disclosure for the purposes of an evaluation.

Evaluation Requirements

Florida Statutes require a substance abuse evaluation of anyone enrolled in a DUI Program. You will be required to provide the following prior to the evaluation appointment or be subject to the current evaluation rescheduling fee:

1. Arrest affidavit and / or traffic crash report
2. Current official DHSMV full driving record (original copy dated within 30 days of your enrollment).
3. Documented breath test, blood test and / or urinalysis results.

A completion certificate will not be issued until the results (or documentation that it is unavailable) is received.

If your DRI test results are invalid, you will be required to re-take the test within five (5) business days of your evaluation appointment. The purpose of the evaluation is to determine the existence of a possible alcohol or other drug use problem and subsequent referral to substance abuse counseling, if required. There will be additional fees for this counseling as outlined in Florida Statutes.

90 Day Completion Requirement

Per Administrative Rule, any client who returns to the program more than ninety (90) days after the original enrollment to complete all or part of the program will have to re-enroll and complete the entire program, including payment of all program fees. The following requirements must be completed within the 90 day period:

1. Enrollment paperwork.
2. An appropriate, mandated DUI education program.
3. An evaluation with a State certified evaluator.
4. If required to complete substance abuse treatment, proof of intake must be received within the ninety (90) day period.

If you have been adjudicated guilty of DUI and you fail to complete the program, DHSMV may cancel your driving privilege. If your license has been reinstated and you fail to complete substance abuse treatment as recommended by a certified Evaluator, your reinstated license may be canceled (F.S. 322.291).

Upon enrolling at DUIC, (voluntarily, court ordered or as a requirement of DHSMV), you are required to complete the educational requirements and obtain an evaluation within ninety (90) days of enrollment. If your DUI conviction is dropped or dismissed but your Administrative Suspension remains valid, you must still complete the DUI program within ninety (90) days. Failure to do so will result in a notice of cancellation to DHSMV, and repayment of the full fee upon re-enrollment.

Class Completion

1. Attendance at all class sessions, on time and in sequence.
2. No alcohol or other drug use.
3. Completion of all assignments and homework.
4. Payment of all fees.

A completion certificate will be issued upon completion of the evaluation and all required class sessions.

If you attend a Level I course by giving false or misleading information or failing to be forthcoming with information concerning previous DUI arrests or convictions or previous attendance at a DUI program, you will be required to re-enroll and complete the Level II program, including the evaluation appointment. You will be required to pay the full fee for Level II.

Transfer to Other DUI Programs

You must attend a DUI Program in the county where you work, live or attend school. You may transfer your DUI requirements from or to this office to comply with this requirement. Failure to complete official transfer paperwork may complicate your completion of the DUI Program. You will be required to pay the current transfer fee. In addition, reimbursement (less the administrative refund fee) for services not received will not be issued until proof of completion of all required components, including completion of treatment is received from the DUI program receiving your transfer.

Confidentiality Requirements

The confidentiality of alcohol and drug abuse client records maintained by DUIC is protected by Federal laws and regulations. Generally, the program may not say to a person outside the program that an individual attended the program, or disclose any information identifying a client as an alcohol or drug abuser unless:

1. The client consents in writing.
2. The disclosure is allowed by a court order.
3. The disclosure is made to medical personnel in a medical emergency or to qualified personnel for research, audit or program
4. The client commits or threatens to commit a crime either at the program or against any person who works for the program.

Violation of the Federal laws and regulations by a program is a crime. Suspected violations may be reported to the United States Attorney in the district where the violation occurs. Federal laws and regulations do not protect any information about suspected child abuse or neglect from being reported under state law to appropriate state or local authorities. (See 42 U.S.C. 290dd-22 for Federal Laws and 42 C.F.R. Part 2 for Federal regulations.)

Program Fees

All fees payable to DUI Counterattack are non-refundable, even if the client is found not guilty and the Administrative Suspension is invalidated

All fees must be paid prior to receiving a class schedule.

If you fail to appear for class or the evaluation or appear late for the evaluation or after roll call for class, you will be required to contact the office during registration hours to be reassigned to a new series of classes or evaluation and pay the appropriate fee.

No rescheduling fee shall be charged if you contact DUIC at least five (5) business days prior to the date that the class session or evaluation was scheduled and ask to be reassigned provided that no more than two (2) reassignments are made during any ninety (90) day period.

No rescheduling fee shall be charged if you contact the program at least forty eight (48) hours after the date of the scheduled class or evaluation and ask to be reassigned for exceptional circumstances. You must provide documentation of the exceptional circumstances. Exceptional circumstances involve situations that are beyond the client's control and are unknown to the client at the time of enrollment, such as natural disaster, serious illness or death in the client's immediate family, or serious illness requiring hospitalization of the client, as documented by the attending physician.

You will not be admitted to class or the evaluation if you have consumed alcohol or illegal drugs, or abused prescription medication or other substances as evidenced by possession, behavior, odor, observation of consumption, or by your own admission, or act in a disruptive manner and you will be required to pay the DHSMV approved standardized ancillary fee for the evaluation appointment or re-assignment for class (Level I = \$228.00, Level II = \$358.00). A report will be made to the proper authorities if you are dismissed from class or evaluation.

Client Information Sheet

Ignition Interlock Program

Introduction

Section 316.193, Florida Statutes, requires ignition interlock devices to be installed on the vehicles of certain persons convicted of DUI.

The ignition interlock program affects those arrested and convicted of DUI after July 1, 2002, upon eligibility of reinstatement for a permanent or restricted driver license. The ignition interlock device is also required when a driver convicted of DUI applies for a restricted license for work or business purposes (s. 322.271, F.S.). Two ignition interlock vendors (see other side) were selected by the department. The vendors began services February 1, 2004.

If the person is otherwise eligible, a driver license will be issued with a "P" restriction indicating interlock device is required. The required time period for interlock officially begins on the day the "P" interlock restriction is issued.

Court Reporting Requirements

Most courts electronically report DUI convictions to the department. The court order should reflect both the time of suspension and the interlock requirement. Please check with your clerk of court to verify that the electronic reporting from your court includes this ignition interlock requirement.

Costs to the Defendant

The cost (plus tax) to the convicted person for an ignition interlock device is:

- \$70 for installation
- \$67.50 for monthly monitoring and calibration
- \$100 refundable deposit or a \$5 monthly insurance charge

Indigency Guidelines

If the court determines that the convicted person is unable to pay for the installation of the ignition interlock device, the court may order that a portion of the fine paid by the person for a violation of section 316.193 be allocated to defray the costs of installing the device. [s.316.1937(2)(d), Florida Statutes]

Basic Specifications of the Device

- Fuel cell technology
- Prevents the start of the vehicle with breath sample above 0.05
- Equipped with rolling retest capable of random testing while the car is running
- Data collected through web-based reporting with access 24 hours a day, 7 days a week
- Strictly user funded

Section 316.193, Florida Statutes Requires Ignition Interlock Devices to be Installed on the Vehicles of Persons Convicted of DUI.

DUI Conviction	Ignition Interlock Requirement
First Conviction	If court ordered
First Conviction if 0.15 or minor in car	At least 6 months
Second Conviction	At least 1 year
Second Conviction if 0.15 or minor in car	At least 2 years
